

Flitwick Lower PTA Questionnaire 2018

2018 is going to be an exciting year for our school. We are launching a new PTA and are super keen to recruit new members!

We would love to know what you think about past events the PTA has held and which of these events and activities plus some news ones, may interest your family in the new year.

Our PTA's success and ability to raise funds for our School is greatly dependent on your support. Without people willing to help organise, contribute resources and help on the days of events, we are sorely limited in what we can achieve.

We want the PTA to grow and be reflective of the diverse School community it has and so welcome those who have two hours a week to offer or two hours a month to offer. Both are equally valid contributions to us. We value all skills, from cake making, helping make tea at our coffee mornings, to emailing raffle prize givers/winners, poster distributing, updating our Facebook page or taking on a formal role on the committee such as Treasurer.

Please take a few moments to consider and fill out the questions below. The new PTA committee really are interested in everyone's ideas and views for the future and encourage you join us! All replies are private and confidential.
