

Foundation Stage Learning at Home Record

Name:	Class: Doves/Bluebirds	Date: 13 th September 2019
-------	------------------------	---------------------------------------

This week...

Welcome to Doves and Bluebirds! What a busy week we have had getting to know all of our new friends. The children have settled really well this week and have shown what busy learners they are. We have enjoyed sharing many familiar Nursery Rhymes and familiar stories at home time too.

Next week...

We will begin our PE sessions! The children will be asked to take off their shoes and socks in the hall before enjoying lots of ring games with their peers. Do you know any ring games? We will also be sharing lots about celebrations with a focus on birthdays. Do you know when your birthday is? We are all excited to learn how to sing and sign the Happy Birthday song. How do you celebrate your birthday?

Staff comments

The children have had a brilliant first week at school! We look forward to seeing you all at our information evening on Monday 16th September 2019 starting at 6:00pm in Foundation.

- As we are discussing birthdays next week, it would be lovely if you could send in a photograph of your child on their birthday (for Monday), for them to share with the class and then use for their learning. The children will also be celebrating 'Kipper's Birthday' on Friday. They will have the opportunity to ice a fairy cake. (please notify a member of the team of any allergies or if you wish for your child to refrain from this). Thank you.
- Our annual Macmillan Coffee Morning will take place on Friday 20th September in our school hall. Any donations of cakes and biscuits would be greatly appreciated but please can you ensure they are Nut Free. Thank you. If the children would like to buy a cake, please could they bring in their donation to school, in a named envelope on the Friday morning.

Thank you,

Foundation Stage Learning at Home Record
