

# Foundation Stage Learning at Home Record

Name:

Class: Doves/Bluebirds

Date: 4<sup>th</sup> October 2019

The children have had such a busy week. We started our week by sharing lots of learning about Harvest. The children took part in Harvest singing and dancing in PE and joined Reverend Lucy for the Harvest Assembly on Tuesday. Thank you so much for your donations towards The NEED Project. We have enjoyed sharing and reading lots of various stories about Harvest as well as making our own vegetable soup with our friends... yum! The children were like the Creative Dragon Learning Buddy as they created fruit and vegetable printing. In Maths, they chose a digit card to count the number of raisins for the Gingerbread man. **Next week.....**

It all about our community! What's in our local community? Which places have you visited? Who works in our community?

- Lay the table. How many places will you set?

## Phonics Fun

*Enjoy these games to develop sound discrimination*
