Name:	Class: Owls/Robins	Date: Friday 22 nd September 2017
<p>What another busy week! In Topic, we have been looking at coastlines and comparing Hawaii to the United Kingdom. The children enjoyed making rock cakes and then used their recall to order pictures and write the instructions for this process, thinking carefully about time connectives. We have also been like the Creative Dragon Learning Buddy sketching shells and using mark making tools for shell rubbings. In Maths, the children have been thinking carefully about their Number Bond facts and their quick recall of these to 10. They have been using classroom resources and pictorial representations, to help them structure number sentences. In PE, the children enjoyed listening to the music of The Rainbow Fish and creating movement for this with dance ribbons.</p>
