

Year 1 Learning at Home Record

Name:	Class: Owls/Robins	Date: Friday 6 th October
-------	--------------------	--------------------------------------

After sailing to Galapagos last week, the children have written postcards to their class mascots 'Rodney and Oscar', telling them all about the creatures they saw and the things they got up to. They thought carefully about making their postcard exciting by using adjectives and verbs. They also created some of the animals from the story using collage materials. In Maths, we have been exploring measures and comparing our wing span to the albatross in the story. We have also measured objects around the school using standard and non-standard units. We finished the week off with a visit from Jamie, who delivered a fun and exciting session on Judo.

<p>Be Read To</p> <p><i>What stories did you enjoy listening to this week?</i></p> <ul style="list-style-type: none">• _____• _____• _____• _____	<p>Learning at home challenge:</p> <p>Have fun creating your own Island. What will you use?</p> <p><i>Due: w/b Monday 16th October</i></p>	<p>Physical Activities</p> <p><i>How did you use your muscles this week?</i></p> <ul style="list-style-type: none">• _____• _____• _____• _____• _____

Year 1 Learning at Home Record

Word Smart

Tricky words and Key words

Have fun reading the Year 1 tricky words and High Frequency Words with this game.

Which letters will you choose to build the words?

http://ictgames.com/looCoverWriteCheck/LCW_C_demo/index.html

Maths Smart

Measures

What letters do we use when we write centimetres? _____

What letter do we use when we write metres? _____

Have fun using a ruler or a tape measure, to find things at home that are:

Longer than 30cm	Shorter than 20cm

Phonics Fun

Can you write the words for these pictures?

Challenge: Can you put your sound buttons on?
