

Year 1 Learning at Home Record

Name: _____ Class: Owls/Robins Date: Friday 13th October

What a busy week we have had! This week, the children have shared the story 'The Lighthouse Keeper's Lunch' by Ronda and David Armitage. They have used their recall to sequence the story, built lighthouses with construction and thought carefully about speech bubbles and speech marks for when the seagulls were talking. They painted seagulls from the story like the creative dragon learning buddy and problem solved like the monkey when creating a lighthouse collage with craft resources. In Maths, we have been focusing on writing addition and subtraction number sentences, using dice and dominoes as well as pictorial representations.
