

# Year 1 Learning at Home Record

Name: \_\_\_\_\_ Class: Owls/Robins Date: Friday 24<sup>th</sup> November

This week we have explored the importance of the Green Cross Code as part of the Road Safety Week. The children put together a mind map as a class about all of the things that they already know about the rules of the road and then sequenced pictures of the Green Cross Code. In Maths, we focused on Fractions; finding half and a quarter of a shape and object. The children sorted a number of pictures in to half and quarter and applied their learning through a number of games. In Topic, we explored the life story of Grace Darling. The children recalled lots of facts about her life and wrote some interesting sentences about her too.

### Staff comments:

- **Christmas Nativity:** The children are doing so well during their practises but any additional support you could do at home, to help them memorise their words and use a 'big clear voice' would help further. Thank you.
- **Performance Ticket:** Please return the form regarding tickets for the children's Christmas Nativity as soon as possible. We cannot allocate additional tickets to families until we know how many initial tickets are needed. Thank you.
- **Christmas Fayre:** is on **Sunday 3<sup>rd</sup> December 2pm - 4pm**. We look forward to seeing you there. Thank you.
- **Bookmarks:** The children will be bringing home Phase Bookmarks. These are 'tricky words' that the children are finding challenging to read, spell and write. Please continue to support the children at home with their reading and writing. Thank you.
- **Wonderful Wellie Wednesday:** Next week we are exploring Katie Morag stories. 'Katie Morag always wore her favourite Wellington Boots. You can wear your Wellies to school on **Wednesday 29<sup>h</sup> November** but remember to bring your school shoes to wear inside.' Thank you.
