

# Year 1 Learning at Home Record

<b>Name:</b>	<b>Class:</b> Owls/Robins	<b>Date:</b> Friday 2 <sup>nd</sup> January
--------------	---------------------------	---

Wow! We had a fantastic visit from Richard and his Reptile Road show. He really enjoyed reading all of our letters and brought with him, lots of the reptiles we liked to see. The children were all super sensible during their session and extremely brave! All of us were so proud of each of them. They all had the opportunity to have a Boa Constrictor snake around their neck as well as hold a corn snake. Richard showed us the faeces of a snake and told us that snakes even eat the bones of their food! Yuck! As well as snakes, the children had the opportunity to hold and stroke lizards and bearded dragons. Some children even wanted the reptile to sit on their tummy! Wow! Richard also spoke to us about a scorpion and a chinchilla. The children found it extremely funny and tickly when the chinchilla sat on their heads! They each produced some fabulous recounts about their experiences, thinking carefully about their spelling, letter formation, adjectives to make their sentences interesting and conjunctions, to join their sentences together. In Maths, we focused on subtraction number sentences and applied our learning throughout a range of activities.

**Culture Smart**  
*Language of the month is Mandarin.*

What do these phrases mean?

Nin Hao \_\_\_\_\_

Nin Hoa Ma? \_\_\_\_\_

Wo Hen Hao \_\_\_\_\_

Where is the language Mandarin, spoken in the world?

\_\_\_\_\_

\_\_\_\_\_

**Learning at home challenge:**

Choose an animal's egg to investigate. How long does it take to hatch? How is it incubated? What is it's size? You can choose how to present your information; you could even make your own model of an egg.

**Due in by Monday 19<sup>th</sup> March**

**Our Hive Values**  
*Friendship - were you a good friend this week?*

# Year 1 Learning at Home Record

## Maths Smart

Subtraction number sentences to 20

Have fun solving these number sentences!

My number line

8 - 4 = \_\_\_\_\_      10 - 0 = \_\_\_\_\_      5 - 1 = \_\_\_\_\_

19 - 10 = \_\_\_\_\_      15 - 6 = \_\_\_\_\_      18 - 2 = \_\_\_\_\_

20 - 20 = \_\_\_\_\_      16 - 7 = \_\_\_\_\_      7 - 3 = \_\_\_\_\_

How many subtraction sentences can you write that will make the answer 8?

## Word Smart

Spellings

Please practise the following words. We will be checking the children's spelling of them on Friday.

so  
were  
when  
come

## Phonics Fun

Reptile word search

Have fun finding these words!

### Class: Reptilia

- |               |             |
|---------------|-------------|
| ALLIGATOR     | LIZARD      |
| BOA           | PYTHON      |
| CHAMELEON     | RATTLESNAKE |
| COBRA         | SKINK       |
| CROCODILE     | TORTOISE    |
| GECKO         | TURTLE      |
| IGUANA        | VIPER       |
| KOMODO DRAGON |             |

Staff comments:

- **Spellings:** The children are enjoying practising their spellings daily every morning and look forward to recording their spellings in their 'spelling book' on Friday. This week, these are the words the children have found tricky; *some, one, what*. Please revisit them along with the new set. Thank you.
- **PE:** Just a reminder that earrings should be removed before school on PE days. Please also ensure that PE kits are named and the children have the appropriate clothing with them. We cannot lend out PE kit or borrow from other children due to hygiene reasons. Thank you.
- **Independence:** Please remind the children that it is their responsibility to make sure that they empty their book bags in to the trays provided in the classroom; reading record books, reading books, library books and completed Learning At Home. Thank you.
