

## Year 2 Learning at Home

<b>Name:</b>	<b>Date:</b> Friday 29 <sup>th</sup> September 2017

What another busy week! In Topic, we have been looking at coastlines and comparing Hawaii to the United Kingdom. The children enjoyed making rock cakes and then used their recall to write the instructions for this process, thinking carefully about time connectives and bossy verbs. The children have been thinking carefully about their Number Bond facts and their quick recall of these to 20. They have been using classroom resources and pictorial representations, to help them structure number sentences.
