

Year 2 Learning at Home

Name:		Date: Friday 13 th October 2017															
<p>What a busy week we have had! This week, the children have shared the story 'The Lighthouse Keeper's Lunch' by Ronda and David Armitage and have used their recall to sequence the story. They painted seagulls from the story and created a lighthouse collage with craft resources. They have also been learning about what a lighthouse is and where they might be found. In Maths, we have been focusing on solving addition and subtraction word problems.</p>																	
<p align="center">Be Read To</p> <p>Bedtime and other stories I have listened to...</p> <ul style="list-style-type: none"> • _____ • _____ 		<p align="center">Learning at home challenge:</p> <p>It's been lovely to look at the Islands the children have created. They have been fantastic and so creative.</p>															
<p align="center">Grammar</p> <p>In grammar this week we have been learning about using apostrophes for contraction e.g. 'I will' becomes 'I'll.'</p> <p>Practise writing the ones below: I have - I've do not - don't can not - can't I am - I'm she is - she's he is - he's would not - wouldn't could not - couldn't should not - shouldn't it is - it's</p>		<p align="center">Spelling Focus</p> <p>This week we have been looking at words that have the sound 'oo' in them.</p> <table border="0"> <tr><td>moon</td><td>drew</td></tr> <tr><td>spoon</td><td>threw</td></tr> <tr><td>food</td><td>new</td></tr> <tr><td>room</td><td>glue</td></tr> <tr><td>soon</td><td>blue</td></tr> <tr><td>fool</td><td>true</td></tr> <tr><td>screw</td><td>Tuesday</td></tr> </table>		moon	drew	spoon	threw	food	new	room	glue	soon	blue	fool	true	screw	Tuesday
moon	drew																
spoon	threw																
food	new																
room	glue																
soon	blue																
fool	true																
screw	Tuesday																
		<p align="center">Outings and Visits</p>															
		<p align="center">Maths</p> <p>This week in maths we have been learning to solve addition and subtraction word problems using our written strategies. e.g. Sam had 15 cars and his friend had 13 cars. How many cars did they have altogether?</p> <p>Try the ones below:</p> <ol style="list-style-type: none"> Ben counts 38 red cars. Sita counts 23 blue cars. How many cars do they count altogether? Sarah has 24 cupcakes gives away 11, how many does she have left? He wanted to collect 100 cards, he collected 50, then 30, how many left to collect? <p>Challenge: Can you write a word problem of your own?</p>
