

Year 2 Learning at Home

Name:		Date: Friday 1 st December 2017	
<p>Christmas has moved in to Year two!! The classrooms are decorated for the run up to Christmas and the postbox has arrived for the children to post their Christmas Cards to their friends (please remember to put the child's class on the envelope as we have many children in school of the same name!). In Topic this week, we shared many stories about Kate Morag. The children recalled facts about where she lives and creatively made their own Isle of Coll using a key to label the symbols they used. Katie Morag had a disaster and needed a new mail bag!! The children investigated different materials to find out which material would be best for her new mail bag. The material needed to be waterproof. The children recorded their predictions and their results of their investigation and discussed what they found out, talking about similarities and differences. They even tested how waterproof their wellies were by jumping in to water! We had great fun!</p>			
<p>Be Read To Bedtime and other stories I have listened to...</p> <ul style="list-style-type: none"> • _____ • _____ 	<p>Learning at home challenge: <i>Due: w/b Monday 10th December</i></p> <p>There are lots of different Religious festivals/ celebrations taking place in November and December. Can you retell one of them in a creative way? You could create a comic strip, frieze, puppet show, a stop motion video or a PowerPoint.</p>	<p>Outings and Visits</p>	
<p>Grammar</p> <p>For your home learning in grammar this week, practice writing sentences using full stops and capital letters. Challenge yourself to include conjunctions and adjectives.</p> <p>e.g. Jack walked slowly home in the cold, wintery night but he was looking forward to drinking a delicious hot chocolate when he arrived.</p>	<p>Spelling Focus</p> <p>For spelling this week please practice the tricky words below</p> <p>said, who, where, were, there, their, when, with, me, my, like, make, people, children, pretty, beautiful.</p> <p>Challenge - choose some to write in a sentence.</p>	<p>Maths</p> <p>This week in maths we have been working on multiplication word problems and we have started to look at division.</p> <p>Can you write word problems of your own? e.g. Sarah has 4 packs of pencils, there are 5 pencils in each. How many pencils are there altogether? $4 \times 5 = 20$</p>

		<ul style="list-style-type: none"> • Christmas Nativity: We look forward to welcoming you to our Christmas Performance on Tuesday 5th November at 2.15pm and / or 6pm. The children are really excited to show you their learning. Please bring your programmes with you as these act as your tickets. Can the children return to their classrooms for 5.30pm please, so that they can change in to their costumes for their evening performance. Please also consider the weather when collecting your child from the evening performance as they will be coming home in their costumes. Thank you. • Christmas Fayre: is on Sunday 3rd December. We look forward to seeing you. Thank you.
