

Pupil Premium Summary

2017-18

2017-18

A short summary regarding the projected spending and resources to support children entitled to additional funding through the Pupil Premium Grant

PPG

About Pupil premium at Flitwick Lower School:

Pupil premium funding has been in place since 2011. It is designed to support those children who are deemed to be from disadvantaged situations. Money is given to the school to enable them to target support to improve outcomes for this group of pupils. The funding is triggered in the following ways:

- For children who are currently eligible for free school meals, or who have been in the last 6 years (sometimes called Ever 6)
- For children who are currently in the care of the Local Authority
- For children who have a parent working in the armed forces.

The funding **for 2017 to 2018 is £1320** for Free School Meal Children and £1900 for Looked After Children, or children subject to a Special Guardianship Order.

The Government does not dictate how the Pupil Premium funding should be spent, but does expect that the money should be directed towards ensuring those entitled to Pupil Premium attain as well their peers.

Our Pupil Premium Policy states that.....

The needs of those in receipt of Pupil Premium will be analysed and funding will be used appropriately to meet the needs of this group of pupils. Each child in receipt of Pupil Premium has a different set of needs and these will all be taken into account.

The Pupil Premium will be used to provide additional educational support to improve the progress and to raise the standard of achievement for these pupils.

The funding will be used to promote the achievement and progress of these pupils in order to narrow and close the gap between their achievement and their peers.

As far as its powers allow the school will use the additional funding to address any underlying inequalities between children eligible for Pupil Premium and those who are not.

We will ensure that the additional funding reaches the pupils who need it most and that it makes a significant impact on their education and lives.

- Every child identified in our school with an entitlement to Pupil Premium is **unique**. This means we have carried out **needs analysis** for **each individual child** to ensure that the **provision we put in place, using Pupil Premium funding, is targeted** to ensure we are supporting each one of them in a way that suits them best.

How Flitwick Lower will be supporting Pupil Premium Children

- We will inform families who attract the pupil premium funding of the content of this statement and work with them to contribute to influencing the provisions available so that they have the greatest impact on attainment
- All pupil premium pupils will have barriers to learning analysis completed by the SLT and class teacher to fine tune the provisions for each individual need.
- All pupil premium pupils will have attendance monitored $\frac{1}{2}$ termly. If it falls below 95% the Head Teacher will contact the family and work with them to improve attendance.
- All pupil premium pupils are tracked on an individual basis using classroom monitor. This is reviewed at least half termly. Any child at risk of not meeting their annual attainment and progress targets will have specific, relevant intervention. Teacher will report the progress of pupil premium pupils in Maths and English through staff development meetings and pupil progress meetings.
- Our assessment, tracking and monitoring systems allow us to identify any child or groups of children who may not be making sufficient progress and then ensure that additional intervention or support is put in place to accelerate progress.
- Our Pupil Progress meetings allow us to discuss children's progress in detail and ensure provision is matched to their individual needs. These meetings discuss focus on academic and pastoral issues.
- All pupil premium pupils will be discussed thoroughly at transition meetings during the summer term.
- Pupil premium pupils not enrolled on trips and activities will be contacted to ensure parents are aware of the funds available.
- The Head Teacher, alongside the designated Governor monitors the effectiveness of the pupil premium spend using the provision maps and interventions and report these to the Governing Body.

Summary

- Pupil premium pupils do not yet make sustained progress and attainment in Maths and English.
- Our belief is that all pupil premium pupils can progress as well as their peers.
- We are developing a systematic method for evaluating the effectiveness of interventions to maximise the benefits.
- All teachers have access to prior attainment. This will ensure they plan effectively for good progress
- This year we have focused on developing talk for writing and increasing the level of challenge within the curriculum.
- Governors are working with parents to identify ways to enhance parental engagement to improve the outcomes for pupils.
