Dear Parents and Carers

We are delighted to share with you the report from our recent Ofsted inspection. The report (attached) confirms that we are a good school and highlights the progress we have made since the previous inspection in 2013.

The report reflects the positive attitudes of the pupils and states that “pupils are happy, well behaved, enjoy their learning and feel safe in the school”.

We would like to thank all of you for your continued support of the school and know that this will continue as we strive for further improvement.

We would also like to thank all the staff for their commitment and dedication to ensuring that all pupils are given the opportunities to reach their full potential.

Yours sincerely

Joanna New
