Headteacher:
Mrs. Joanna New

Below is a summary of how the pupil premium was used at Flitwick Lower School during 2011/12 and its planned use for 2012/13.

2011/12

Pupil Premium allocation: £ 5,856 (12 pupils)

In 2011/12, the school widened the role of the SENCo to include the inclusion of all vulnerable groups, with responsibility for overseeing the progress and well-being of pupils deemed to be vulnerable – this includes Looked After Children (LAC) and those from low income families (FSM). Part of the pupil premium money has been used to release her non contact time to ensure effective monitoring of these pupils and the additional interventions in place to support their learning.

In addition to this the pupil premium money has been used to provide funding for teaching assistants to give 1:1 and small group support for individuals in their areas of need as identified by detailed analysis of progress and attainment.

Impact

Internal data shows that pupil premium pupils are making expected progress and some rapid progress in some areas of learning. A few pupils are not attaining as well as other groups of learners but progress is similar or better.

2012/13

Pupil premium allocation: £10,800 (18 FSM)

We are continuing to develop the use of teaching assistants to support individual pupils with specific barriers to learning. We have been able to reduce the teaching commitment of a class teacher to provide 1:1 tuition for pupils identified as underachieving through our in school analysis.
