

## SPORTS PREMIUM AT FLITWICK LOWER SCHOOL

### NATIONAL CONTEXT

The Government is providing additional funding over the next two academic years 2015-16 to improve the provision of Physical Education and sport in schools. The money has been provided jointly by the Departments for Education, Health and Culture and Media and Sport.

### VISION

At Flitwick Lower we have used the funding to enhance the quality and provision of P.E. This includes funding additional clubs and purchasing equipment to assist high quality provision. We also allocate funding to develop staff to provide high quality teaching and learning.

### PRINCIPLES

Funding is ring fenced for Physical Education, sports and well-being at Flitwick Lower School.

Spending decisions will impact directly on the quality of children's physical education.

Sports premium funding will be allocated through the School Development Cycle which will identify priority areas for Physical Education.

Investments will be sustainable once the funding is removed.

### How do we plan to spend our Sports Premium Grant?

Our sports funding for 2014-15 was £ 9,095

Funding for 2015-16 is £9,065

Activity / Agency	Information	Impact	Evidence	Funding	Quotes and feedback
