Flitwick Lower School Newsletter

28th May 2021

Hello everyone.....

We are at the end of the first half term of Summer and what a busy few weeks we've had! The children have all been working very hard and it has been wonderful to see how much they are all enjoying school.

Foundation have continued to have lots of fun with their topic 'Bears' and have been reading Paddington Bear and Goldilocks and the Three Bears. The children have participated in lots of activities including a teddy bear's picnic which they were very excited about.

KS1 have been enjoying their topic 'The Secret Garden' learning about different minibeasts in the garden, their habits and what they eat. They had another letter from Brian as he had lost his friend 'Cuthbert the Caterpillar' and they created some wonderful posters to help to find him. Some children even suggested he may have turned into a butterfly!

KS2 have been very busy with their topic 'Evacuate' thinking about how they would have felt to leave home as an evacuee, building Anderson shelters to withstand different weights and learning about the Blitz. The children worked very well in teams to build their shelters and it was wonderful to see their problem solving skills in practice.

We have lots planned for next term including Sports Day, the Fun Run and a skipping workshop and we will be planning end of term events—more information to follow.

This week we have welcomed our new parents who have children coming up to Foundation in September. It was lovely to see so many attend the welcome evening presentations and we look forward to seeing the children on their first 'Stay and Play' visit on the 9th July.

Year 4 have enjoyed their cricket sessions with 'Chance to Shine.' They have made great progress and have enjoyed developing their cricket skills. Some of the Year 4 children have also been attending 'tag rugby' after school with Triline Fitness and have enjoyed learning a new sport.

I just wanted to say a big thank you for your generous support in raising money for 'Gorgeous George' to find treatment for his brain tumour. At such a difficult time for the family it has meant so much to them to have so much support outside of their local area. The children looked fabulous in red and white too! We have raised £250 in school as well as other donations made on the fund raising page. If you haven't donated and would still like to, you can do this on their 'gofundme' page www.gofundme.com/f/gorgeousgeorgeonebigfight.

Finally I would like to wish you all a wonderful and relaxing half term. The weather forecast looks good so enjoy the sunshine and enjoy time outside. I look forward to seeing you all on Monday 7th June.

PE READY

Don't forget that children are wearing their PE kits to school on the days they have PE. This is the school kit of black joggers / shorts a white or black round neck t-shirt and either their school jumper or a school hoody. They need a pair of well fitting trainers, not plimsolls.
